

Preparing for my **SEPARATE SCIENCE** exams

Which syllabus am I studying?

- Exam board: Edexcel
- Title: Biology, Chemistry and Physics
- Specification code: 1BIO, 1CHO, 1PH0
- Content: Key concepts in Biology, Chemistry and Physics.

When are the exams and how long are they?

- All in the summer of Year 11.
- 6 x 1 hour and 45 minute exams
 - (2 x Biology, 2 x Chemistry, 2 x Physics)

What is in the exams?

- Each exam has a specific content section which questions can be related to. These are clearly marked within the textbook available via Active Learn.

What do the exams (and mark schemes) look like?

- Examples of the specimen material can be found [here](#).

What are the key revision resources that I should be using?

- Your Active Learn account access to tasks and digital copies of the textbook.
- Your exercise book contains a significant amount of material to use. Revision guides will be available in September.

What are some useful websites to help me revise?

- <https://qualifications.pearson.com/en/qualifications/edexcel-gcses/sciences-2016.html>
- <http://www.bbc.co.uk/education/subjects/z9ddmp3>

Edexcel have produced a parents guide to GCSE Science changes which can be accessed [here](#).
