Slippery Floors

As it gets colder and the ground outside is wet the floors can get slippery around school.

If you see any spillages report them immediately to a member of staff. Be careful around warning signs.

Theme: I am valued

Quote: “We're all human, aren't we? Every human life is worth the same, and worth saving.” — J.K. Rowling, Harry Potter and the Deathly Hallows

Explanation/Question/Challenge:
We live in a world where it is much easier to bring down someone else’s value instead of pushing it up. We are all human and our lives are all worth the same. This doesn’t change with what job you have, what grades you get or what somebody tells you are or are not.

Questions:
What adds or takes away from someone’s value?
What can you do to let someone know you value them?
Reading mentors and mentees – please remember to come to the library at 8.15 on Wednesday or Thursday morning to read with your buddy!

If you would like some help with your reading or if you would like to be a reading mentor and help to support students in Year 7 or 8, then please come to the library and speak to Mrs Bladon.
